

Zoom platform

- We will get started shortly after 1:00
- Participants are muted on entry
- Please keep yourself muted when not speaking
- If you dialed in by phone before connecting to the website, make sure your phone and website are linked (using the participant number at the top of screen, dial #number# to link)
- Ask questions by:
 - Asking in chat
 - Unmute yourself

Trenton Information on COVID-19

April 4, 2020

THT's Role and Goals for Today

- Facilitating the sharing of accurate information
- Process for maintaining connections among our community
- Getting answers to new questions as needed

Websites for Information

We will share notes after the call that include all of the resources provided previously, as well as several new resources that address issues that have been raised during our calls:

- General COVID-19 information
- Equity issues stemming from the pandemic
- Food services
- Pharmacies
- Mental and behavioral health services
- Housing

Food Access

Food Resources List

- List and map are being updated daily
- If you see anything that needs to be updated, email Stephanie Doering at sdoering@trentonhealthteam.org

Trenton Food Stakeholders

- Next meeting April 14th, 12:30-2; focus on community-wide food insecurity response
- Rider students reaching out to gather info about needs
- If you're not already part of this group and would like to participate, please contact Matthew Broad at mbroad@trentonhealthteam.org

HJA Telemedicine

- Henry J. Austin Health Center is now offering telemedicine (internet and phone) for current patients as well as for those who are not patients.
- People should call the HJA main number to get to the call center, which will arrange the telemedicine appointment: 609-278-5900

Maternal & Child Health

- Update from the Maternal Health Stakeholders meeting and review of issues raised last week.

Testing in Mercer County

- Quakerbridge site up and running
- Test results coming in w/in 24 hours
- County-wide tracking in HIE
- Trenton 'pop-up' testing under discussion
- Goal is to kick this off next week and provide streamlined services for those without cars, without primary care access, and who otherwise would have a difficult time being tested

NowPow

- NowPow is still reaching out to organizations listed in their database to confirm current operations and offerings.
- NowPow trainings and refreshers next week:
Tuesday 4/7 at 10am and Thursday 4/9 at 10am
- Contact Jessica Burnett for more information
jburnett@trentonhealthteam.org

NowPow – Housing?

- Is there a need for a housing resource list?
- Of the 82 housing services we have listed in NowPow:
 - 48 services are "pending verification" or "unable to verify"
 - 15 are available by "phone/virtual"
 - 13 have "regular operations"
 - 6 services are currently unavailable

#WhyLikeTrenton Photo Contest

- To celebrate Trenton's resilience and strong sense of community through the years, and especially as we confront the threat of COVID-19.
- Follow-up to last year's successful contest.

What's Happening on the Ground?

- Is there a gap or trust issue in social distancing information in the community?
- What are people hearing from those they're serving?
- What are the greatest needs and how can we collectively meet them?

Questions & Discussion

www.trentonhealthteam.org @TrentonHealth

Next Steps

- Share PowerPoint and notes
- Continue these calls weekly
- Get in touch with questions or agenda items!

NJ211 Hotline

The NJ Poison Control Center and 211 have partnered with the State to provide information to the Public on COVID-19:

Call: **2-1-1**

Call (24/7): **1-800-962-1253** (call center for clinical questions)

Text: **NJCOVID** to **898-211**

Text: your **zip code** to **898-211** for live text assistance

Web: <https://www.nj211.org/coronavirus-covid-19>

Websites for Information

Flattening the curve

Mitigation efforts can help to reduce the number of daily cases and to reduce the pressure on the healthcare system
