- Ask questions by:
 - Asking in chat
 - Unmute yourself

Trenton Information on COVID-19

April 9, 2020

THT's Role and Goals for Today

- Facilitating the sharing of accurate information
- Process for maintaining connections among our community
- Getting answers to new questions as needed

These slides, notes and resources from the call, and a recording of the call will be shared! Notes and slides are also on THT's website:

<https://trentonhealthteam.org/about-us/our-partners/cab-resources/>

Food Access

Food Resources List

- List and map are being updated daily; includes pharmacies
- If you see anything that needs to be updated, email Stephanie Doering at sdoering@trentonhealthteam.org

Trenton Food Stakeholders

- Next meeting April 14th, 12:30-2; focus on community-wide food insecurity response
- Rider students reaching out to gather info about needs
- If you're not already part of this group and would like to participate, please contact Matthew Broad at mbroad@trentonhealthteam.org

NowPow

- NowPow is still reaching out to organizations listed in their database to confirm current operations and offerings. Hundreds of programs have been updated.
- NowPow trainings and refreshers next week:
Tuesday 4/14 at 10am and 2pm and Thursday 4/16 at 2pm
- Contact Jessica Burnett for more information
jburnett@trentonhealthteam.org

HJA Telemedicine

- Henry J. Austin Health Center is now offering telemedicine (internet and phone) for current patients as well as for those who are not patients.
- People should call the HJA main number to get to the call center, which will arrange the telemedicine appointment: 609-278-5900.
- An updated press release and flyer will be shared after the meeting.

Testing in Mercer County

- Quakerbridge site up and running
- Test results coming in w/in 24 hours
- County-wide tracking in HIE
- Trenton 'pop-up' walk-up testing sites launching very soon
- Goal is to kick off this week and provide streamlined services for those without cars, without primary care access, and who otherwise would have a difficult time being tested

Questions & Discussion

www.trentonhealthteam.org @TrentonHealth

Next Steps

- Share PowerPoint and notes
- Continue these calls weekly
- Get in touch with questions or agenda items!

NJ211 Hotline

The NJ Poison Control Center and 211 have partnered with the State to provide information to the Public on COVID-19:

Call: **2-1-1**

Call (24/7): **1-800-962-1253** (call center for clinical questions)

Text: **NJCOVID** to **898-211**

Text: your **zip code** to **898-211** for live text assistance

Web: <https://www.nj211.org/coronavirus-covid-19>

Websites for Information

Flattening the curve

Mitigation efforts can help to reduce the number of daily cases and to reduce the pressure on the healthcare system
