- Ask questions by:
 - Asking in chat
 - Unmute yourself

Trenton Information on COVID-19

April 17, 2020

THT's Role and Goals for Today

- Facilitating the sharing of accurate information
- Process for maintaining connections among our community
- Getting answers to new questions as needed

These slides, notes and resources from the call, and a recording of the call will be shared! Notes and slides are also on THT's website:

<https://trentonhealthteam.org/about-us/our-partners/cab-resources/>

Meeting Coordination

- Lots of meetings!
 - THT Community Advisory Board
 - Mercer County Human Services Advisory Council
 - <http://www.mercercounty.org/departments/human-services/human-services-advisory-council>
 - Mercer County COAD – Community Organizations Active in Disaster
 - Others...
- Different participation (but with some overlap), different purposes
- Attempts at coordination to reduce meeting fatigue
- Don't worry if you can't attend them all!
- Notes and resources are being shared

Mercer COAD, State VOAD

- NJ VOAD – Voluntary Organizations Active in Disaster
 - <http://www.njvoad.org/>
 - General contact: businessadmin@njvoad.org
 - Food subcommittee meeting biweekly on Fridays at 1pm beginning today
- Mercer County COAD – Community Organizations Active in Disaster
 - <http://www.mercercounty.org/departments/human-services/division-of-mental-health/community-organizations-active-in-disaster>
 - Main contact: Michele Madiou – mmadiou@mercercounty.org
 - Chair: Maria Nikolatos - mnikolatos@cctrenton.org
 - Main email: njmercercoad@gmail.com
 - Needs assessment/resource tracking survey:
<https://www.surveymonkey.com/r/9P7TSNW>

NowPow

- NowPow is still reaching out to organizations listed in their database to confirm current operations and offerings. Hundreds of programs have been updated.
- NowPow trainings and refreshers next week:
Tuesday 4/21 at 10am and Thursday 4/23 at 12pm
- Contact Jessica Burnett for more information
jburnett@trentonhealthteam.org

Food Insecurity

- Trenton Food Stakeholders met April 14; agreed to meet biweekly. Notes will be shared.
- Key needs highlighted
 - Distribution
 - More food (fresh produce and shelf-stable goods)
 - Ability to provide food for entire families at school feeding sites
 - Loss of funding and finding new/additional funding
- Needs assessment by Rider students is ongoing
- Next meeting Tuesday, April 28, 12:30-1:30. If you'd like to participate, contact Matthew Broad: mbroad@trentonhealthteam.org.

Maternal Health

- Navigating Pregnancy During COVID-19
 - Tuesday, April 21 at 3:30pm
 - The First Lady will be hosting an interview on Facebook Live with ACOG and Rutgers NJMS's Dr. Lisa Gittens-Williams, who will answer questions about COVID-19 for expectant mothers
 - Flyer will be shared

Testing in Mercer County

- Quakerbridge site up and running
- Test results coming in w/in 2-3 days
- County-wide tracking in HIE
- Trenton 'pop-up' walk-up testing sites launched

Communications

- #MyMask
 - Take a selfie and post on your social media
 - Share with mruess@trentonhealthteam.org
 - Share widely and encourage public health safety
- General messaging

Questions & Discussion

www.trentonhealthteam.org @TrentonHealth

HJA Telemedicine

- Henry J. Austin Health Center is now offering telemedicine (internet and phone) for current patients as well as for those who are not patients.
- People should call the HJA main number to get to the call center, which will arrange the telemedicine appointment: 609-278-5900.
- An updated press release and flyer will be shared after the meeting.

Next Steps

- Share PowerPoint and notes
- Continue these calls weekly
- Get in touch with questions or agenda items!

NJ211 Hotline

The NJ Poison Control Center and 211 have partnered with the State to provide information to the Public on COVID-19:

Call: **2-1-1**

Call (24/7): **1-800-962-1253** (call center for clinical questions)

Text: **NJCOVID** to **898-211**

Text: your **zip code** to **898-211** for live text assistance

Web: <https://www.nj211.org/coronavirus-covid-19>

Flattening the curve

Mitigation efforts can help to reduce the number of daily cases and to reduce the pressure on the healthcare system
