This month Trenton Health Team is highlighting the Latin American Legal Defense and Education Fund, well known as LALDEF. LALDEF’s Trenton office - The Welcome House / Casa de Bienvenida - is located on South Clinton Avenue, where they offer a wide range of services and programs. This month we are shining a light on two Adult Education programs - English for Speakers of Other Languages (ESOL) and Citizenship Preparation Classes. Both services accept NowPow referrals!

"LALDEF focuses on the root causes of immigrant marginalization. We seek to empower immigrants to reach self-sufficiency, and thrive, by showing them how to navigate the system and find the resources they need."
