

This month Trenton Health Team is introducing the NowPow Referral Spotlight. This short newsletter is meant to highlight a referable resource listed in NowPow waiting to receive a referral from you! This month we are shining the light on Medina Community Clinic. Login to NowPow to learn more about Medina Community Clinic.

### **What We Do:**

Medina Community Clinic provides access to specialty healthcare services located around the community for adults who are uninsured.

Specialty medical care services include Allergy & Asthma, Cardiology, Dentistry, Endocrinology and much more. Services are provided at several locations. Please call our office at 609-235-8820 to determine where services can be received. A medical referral is required from a primary care provider.

### **Eligibility:**

1. Uninsured
2. Underinsured

**We take NowPow Referrals**
